

**First in the Field For Years.**  
**Freeman has built the best hay baling equipment available. Rugged construction and dependable operation have made Freeman balers the “best in the field.”**

**New Freeman Bale Scale**

Now, Freeman becomes the “first in the field” with an OEM designed and constructed **bale scale**, built to the same exacting standards as Freeman balers. Easily mounted to any new or existing 3-tie side-feed Freeman baler, the new **bale scale** allows the operator to monitor bale weight in real time, from the cab, with a level of precision never before possible.

- **More Uniform Bales**
- **Improved Efficiency**
- **Reduced Cycle Times**
