

Finding parts coverage for your Long Reach product online

1. Parts coverage is found on our web site: <https://www.alliedsystems.com>
2. Select Manuals and Publications

You can also type the direct address to the Manuals and Publications page:
<https://www.alliedsystems.com/pubs/pubs.aspx>

3. Hover or Click over Long Reach
4. Click on PN or SN:

NOTE: This parts page finder is applicable to serial numbers starting with LR01001. Contact Allied Systems for any attachments built before this serial number.

5. Enter serial number, and click submit.

The screenshot shows the 'Long Reach Search Page' interface. On the left is a navigation menu with links for Wagner, Marine Crane, Allied Winch, Long Reach, Freeman, Ranger, and Forms. The main content area has a title 'Long Reach Search Page' and instructions: 'To Search: Type in the attachment serial number, form number or part number in the "Part Number" field and hit Enter, or click on Submit Query. The whole number is not needed to conduct a search; you can also search using the first few numbers in the sequence. For example, entering "YHGP" will return all parts pages beginning with YHGP, and "LR02" will return all attachments with serial numbers starting with LR02.' Below this are two red annotations: 'Important: Make sure to indicate the serial number of your attachment with' and 'Note: For models manufactured prior to 2003, please call the factory for information.' A search form contains a text box with 'LR15000' and a 'Submit' button, both circled with a red '5'. A red box on the right contains the text: 'Type in the serial number or the part number you wish to find. Click on Submit.' Below the form is a table with two columns: 'P/N or S/N' and 'DESCRIPTION'. The first row shows 'LR15000' and 'LCB5GNSB1838R710BN'. A mouse cursor points to the 'LR15000' link, which is circled with a red '6'. Below the table is a note: 'Please contact the [webmaster](#) if you have any questions about this search page.'

6. Click on the serial number and you will navigate to the parts pages.
