

Long Reach Multi-Pallet Handlers

Versatile Design

- Increase productivity and reduce cost with a Long Reach multi-pallet handler. This model efficiently handles either one or two pallets.
- Flow divider for equal arm movement.
- Easy installation with bolt-on or quick mounting hooks—no welding required.
- Unobstructed view of floor level and second tier stacking heights.
- Handles CHEP® and GMA pallets.
- Other models designed specifically for the beverage industry.

Durability

- Heavy duty bronze sideshift hooks ensure long service life.
- High capacity wear strips keep arms rigid.

No-fuss Maintenance

- Service cylinders from the front.
- Interchangeable outer and inner forks.
- “Repair-N-Place” no-lube polymer wear strips can be replaced in just minutes—your load stays grease-free.
