

# The Allied Marine Crane Advantage: DX2800S SOLAS Davit

## Made in the USA

Allied DX2800S SOLAS Davits are designed and manufactured in our Sherwood, Oregon location to the highest quality standards.

## Service and Parts Support

Full life-cycle service support is available during regular business operating hours, after hours and weekends when needed. We have a team of Service Tech Reps to provide both remote and onsite support to keep your davit operational and productive.

## Cost of Ownership

The high quality from Allied Marine Crane ensures fewer issues during installation, commissioning, testing, operating and inspections.

## Coast Guard SOLAS Certification

The Allied Marine Crane DX2800S Davit is not just designed to SOLAS, but **SOLAS Approved**.
