

Great Value, Great Convenience.

Allied Systems Company introduces 2 & 3 tie twine finger replacement kits for designated FREEMAN hay balers.

Typical 2-tie current production Knotter shown. Your installation may vary.

- **Highly convenient** - Receive ALL the parts you need by ordering ONE PART NUMBER.
- **Save labor & time** - Avoid a second teardown. Kits include all the parts you need to perform a COMPLETE rebuild.
- **Lower cost** - Kits are priced less than the separate pieces.

Complete replacement kits are available for the following **FREEMAN** Baler models:

Model: 200, 270, 280, 330, 370, 380

Select from the following list to find the right kit for your application:

Baler Type	Replacement Kit
Two-tie balers	910653
Three-tie balers	910654

See back page for more details.
