

This diagram illustrates the exploded view of a mechanical assembly, likely a planetary gear set. The components are numbered as follows:

- 1**: A large, complex housing or carrier component with multiple mounting points.
- 2**: A central shaft or axle passing through the center of the assembly.
- 3**: A large, multi-spoke wheel or gear mounted on the central shaft.
- 4**: A small pin or bolt used for securing the assembly.
- 5**: A small circular component, possibly a washer or spacer.
- 6**: A circular flange or plate with mounting holes.
- 7**: A small gear or pinion.
- 8**: A larger gear or pinion.
- 9**: A central hub or support structure.
- 10**: A small circular component, possibly a washer or spacer.
- 11**: A circular flange or plate with mounting holes.

The diagram shows the relative positions and assembly sequence of these parts, with dashed lines indicating the alignment and path of assembly.
