

Freeman Stroke & Bale Counter Kit.

Get a more accurate stroke count and a more consistent bale.

- **More Uniform Bales**
- **Improved Efficiency**
- **More Consistent High-Stroke Bales**

Easy to install, easy to use, the stroke & bale counter has the same rugged construction and dependable operation that makes Freeman balers the “best in the field.”

An easy-to-read in-cab monitor takes any guesswork out of building the perfect bale.

Available as an option on your new Freeman baler or as a retrofit.

Display unit is designed to be mounted in a dry environment.

Order kit P/N 906867
